

RE-REGISTERING YOUR KROGER PLUS CARD

In order to continue to benefit the charity of our choice, we must re-register our Kroger Plus cards annually. All charitable affiliations have been deleted from the Kroger system. Please take a moment to re-register your card to benefit St. John Fisher Catholic Parish. Thank you!

Please follow these few steps to register your Kroger Plus Card for the benefit of St. John Fisher. If you already have a Kroger Plus Card, registration may be done on-line from the convenience of your own homes and takes only a few minutes.

1. If you do not already have a Kroger Plus Card, obtain one from your local Kroger Store. If you lost your Kroger Plus Card, or use your "Alternate ID" when making Kroger purchases, and do not want to acquire a new Kroger Plus Card, you will need to call 800-576-4377, and select option 4, to obtain your Kroger Plus Card number.
2. Create an on-line account for your Kroger Plus Card at Kroger.com. If you have not already created an account for your Kroger Plus Card (it does not happen automatically when you get the card), go to Kroger.com and click on either the Kroger Plus Card icon in the upper right corner of the home page, or the "Create an Account" link, and then follow the instructions for creating an account for your Kroger Plus Card.
3. Use either the "Community Rewards" link at the bottom of the Kroger.com home page, or go to krogercommunityrewards.com, to register your Kroger Plus Card to St. John Fisher. Click on the "Cincinnati, Ohio" button, log in (if you have not already done so), then follow the simple instructions. St. John Fisher's organization number is 80718.
